4. This Is Love

**Solo:**

As I walked down the road

Didn't know where to turn to

It's a road so dusty

Seems no passage to the other side

Bounded to my weakness and lost

I was so confused

In the midst of it all

You showed up, Lord

You rescued me, yes

**Chorus:**

This is love

Saved by Your grace

You shine Your Light in the midst of it all

You are compassionate God

You are loving God

Faithful are You, Lord

Faithful You are

**Bridge:**

Your love keeps chasing me

You will not let me go

Now I'm Yours and You are mine Lord

**Vamp:**

Whoa Oh oh oh

Whoa Oh oh oh

Oh oh oh
